

# UNIONTOWN HOSPITAL

Uniontown Hospital is a compassionate, dedicated 160-private bed community hospital providing a full range of medical care to residents of Fayette County and the surrounding areas for more than a century. It takes a team effort to provide for the health of our region through our acute and specialty care, which includes an award-winning Cardiology Department and catheterization lab, an award-winning Stroke Center, a state-of-the-art Wound Healing Center and the Family Beginnings Birthing Center.

These departments, and many other specialties and services, could not operate without a full complement of support from our team of dedicated staff in all fields from Nutrition to Environmental Services to Facility maintenance.

Uniontown Hospital is also proud to partner with local and national organizations dedicated to making a healthy difference in the community; partnerships that allow our employees the opportunity to get engaged.

From our annual fundraisers in support of the American Heart Association and their Heart Walk, the annual March of Dimes and the American Cancer Society's Relay for Life to our affiliation and support of the Uniontown City Mission and Fayette County Children and Youth, our hospital team is committed to supporting the health of our community.

More than anything, Uniontown Hospital is focused on living the mission of making a healthy difference. Hospital staff is dedicated to fulfilling that mission by maintaining five core competencies known as the "Wills" of the hospital workforce.

## I Will

... provide excellent **customer service** — such that Uniontown Hospital is a place that patients want to come for care.

... promote **teamwork** — such that patients receive compassionate, respectful care.

... maintain **competency** — such that patients receive quality care.

... be **productive** — such that patients receive timely care.

... demonstrate good **character** — such that patients receive safe and appropriate care.

If you want to make a healthy difference and are ready for a new and exciting career, please consider joining our team today!
