

Visitation Policy Update

As we continue COVID-19 Mitigation efforts, the following changes have been made to our visitation policy.

Effectively Immediately:

- All Emergency Department and Inpatient Visitation is SUSPENDED.
- Surgical Patients will be allowed 1 visitor in Waiting Room Area Only.
- Patients for Outpatient Testing and Specialty and Primary Care appointments may not be accompanied by anyone.

Exceptions will be made for patients requiring cognitive or significant physical assistance and end of life situations as identified by clinical leadership.
